through airdrops and border crossings

Dear UHR Family,
Thanks to your generous contributions, and despite the unprecedented challenges, United Hands Relief has made a significant impact in delivering urgent humanitarian aid to the people of Gaza through airdrops and border crossings.

In 2025, UHR carried out critical interventions that addressed basic needs and restored dignity to thousands of families affected by conflict and displacement.

Our Commitment: 2026 and Beyond

While 2025 has come to a close, our work is far from over. United Hands Relief continues its humanitarian efforts in Gaza, expanding existing programs and launching new, impactful ones. Upcoming key projects include establishing another elementary school to serve more than 1,500 students, developing refugee camps with durable tents to provide safe shelter for displaced families in need, and continuing critical water and food distributions, along with other life-saving essentials. Together we remain committed to responding to the crisis in Gaza.
